

Illinois BPA State Pre-Conference Newsletter

Greetings Illinois BPA Members. Your 2021-22 State Officer team welcomes you to another year of competition and service.

As a team we have dedicated our time to make sure that this year's State Conference leaves all of our members with a lasting impact, in our hopefully in-person setting.

At our Winter Planning Conference, we solidified many aspects of this year's SLC, including designs for the SLC t-shirt, pin, and plans for the return of an in-person state conference

We will be bringing back the auction, banquet, and leadership game night this year, so look forward to those!

We, as your State Officer Team, are immensely excited to take this journey with you, and are honored to be representing our state as well as all of our members this year.

2021-2022 State Officer Team

President

Rishi Patel
